PRINCESS DIANA

"PEOPLE'S PRINCESS"

FUNKO POP! \$24.99

Diana, the original "People's Princess," has captivated the hearts of millions around the world since the 80s. Her enduring popularity can be attributed to her impeccable style, her humility in contrast to the British royal family, the tragic mistreatment she endured in her marriage, and the dramatic and untimely end to her life. By unpacking these aspects of Princess Diana, her status as a beloved and iconic figure in the hearts of people across generations becomes very clear.

REPLICA of the "REVENGE DRESS" \$49.99

One of the most prominent aspects of Princess Diana's allure was her unique sense of style. Her wedding dress from the 80s with its ginormous train, ruffles and bows, and of course huge puffy sleeves, influenced millions of brides, including my mother. Her fashion choices also broke away from the traditional norms of the royal family as well as showcasing her own evolving identity.

PRINCESS DIANA WEDDING DOLL \$29.99

PRINCESS DIANA TIARA REPLICA! \$39.99
